CUSTOMER	Company: _____ Contact: _____ Phone #: _____ Fax #: _____
	E-mail: _____ Lease/Field: _____ Well #: _____
	Address _____ State: _____
	Country: _____ Zip or Country Code: _____
WELL	Well Type: (circle one) Vertical Directional Horizontal Slant Deviation _____ Build Angle/Degree _____
	Casing Data: Size: _____ Weight: _____ Depth: _____ Perfs.: from _____ to _____
	Casing Liner Data: Size: _____ Weight: _____ Depth: _____ Perfs.: from _____ to _____
	Total Well Depth: from _____ to _____
	Open Hole: Diameter: _____ Depth: _____ Desired or Existing Pump Depth: _____
	Column Data: Size: _____ Weight: _____ Thread: _____ Length: _____
	Gravel Pack: from _____ to _____ Screen Information: from _____ to _____
FLUID	Specific Gravity: Water: _____ Gas: _____ GOR: _____ GLR: _____
	Coal Fines: light moderate heavy Bottom Hole Temperature (deg. F): _____ (circle one)
	Abrasives: Sand: light moderate heavy Scale: light moderate heavy Iron Sulfides: light moderate heavy (circle one) (circle one) (circle one)
	Pressures: Static BHP: _____ Flowing BHP: _____ Casing: _____ Tubing: _____ Flowline: _____
	Desired Production: _____ gpm / bpd (circle one) Gas Production: _____ mcf / day
EQUIPMENT REQUESTED	Pump: yes / no (circle one) Model: Size: (if known): _____
	Motor: yes / no (circle one) Horsepower (if known): _____
	Cable: yes / no (circle one) Cable Bands: Size: _____ x _____
	Well Head: Size: _____ x _____
	Control Boxes: Size: _____ / _____ (hp / volts)
Ancillary Items: _____
